DECLARATION OF JULIO E. RIOS, II

I, Julio E. Rios, II, hereby declare as follows:

1. The contents of this Declaration are based on my personal knowledge as a former employee of Bridger, LLC, Bridger Logistics, LLC (each a “Bridger Entity”) and Ferrellgas, Inc.
2. During the time Bridger Transfer Services, LLC (“BTS”) was owned by a Bridger Entity, BTS made every required payment to Eddystone Rail Company, LLC (“ERC”) under the Rail Services Agreement’s (“RSA”) take-or-pay, despite ERC’s shortcomings.

3. As described in the BL/FG Defendants' Opposition to Plaintiff's Motion to Compel Production of Withheld Documents Under the Crime Fraud Exception, Bridger, LLC attempted to buy Enbridge's and Canopy's interest in the Facility in 2013 and 2014, and Bridger Logistics, LLC, attempted to buy Enbridge's interest in the Facility again in 2015.

4. Revenue and expenses associated with storage contracts entered into by Bridger Storage, LLC ("Bridger Storage") were to be recorded by Bridger Storage. Any contrary treatment in the company's accounting records is explainable only as an accounting error and would not be reflective of how the business actually operated.

5. The RSA provided unique logistical access to East Coast oil refineries situated on the Delaware River.

I declare under penalty of perjury under the laws of the United States of America, pursuant to 28 U.S.C. § 1746, that the foregoing is true and correct.

JULIO E. RIOS, II
